October 5, 2011

The season is off to a running start, with 2 shows under our belts. The 1st weekend of penning was held at Lonnie Robertson's Arena in Galena, MO, promoted by the Missouri Ranch Sorting Association. There were a total of 99 teams for the weekend.

The penning that was scheduled at Lonnie Robertson's Arena in Galena, MO for October 7th and 8th has been cancelled. However, Lonnie Findley has scheduled penning's for October 15th and November 19th to be held at Windmill Arena. I have enclosed an updated schedule with this newsletter.

The board meeting that was scheduled for October 15th has been cancelled also. It will be re-scheduled for sometime after the October penning at Windmill Arena. I will post the new date and time on the website, so be sure and check there for any updates.

I have posted the 2011-2012 membership form, contest rules and penning contract on the website. If anyone is interested in promoting a penning please contact me for available dates.

Until next month.....  
Angie
